

NEWS BULLETIN

May 2006

These are some of the projects our students carried out during the first term.
We hope you enjoy reading about them.

1st Form

We have been working with several stories but there's one of them that we all love. . .

"STOP, LOOK and LISTEN"

Thanks to the snail family we have learnt how to cross the street.

2nd Form

Second formers are listening to lovely stories and rhymes.

They've enjoyed a folk rhyme called "There was an old lady." It is about a woman who swallowed a fly, a bird and even a horse!. Can you believe it?

They've also listened to a tale based on Toy-story. Fantastic!!

3rd Form

On April 12th, 3rd formers and their teacher celebrated Easter. They did an egg hunt in the classroom and ate chocolate bunnies. Then they made bunny ears and became Easter bunnies for a day!

4th Form

4th graders enjoy a "Story time" period every week.

They have just listened to "The Green Island" and "Snow White".

They also watched a film based on the story of "The Three Little Pigs".

Next term they are planning to read a modern version of "Cinderella".

5th Form

5th formers worked on values by analysing the characters, plot and symbols in "Harry Potter and the Philosopher's stone".

As final task they wrote about responsibility, respect and cooperation. It was an enriching experience that will guide them all through the year!

Scholastic Book Fair

Get ready to enjoy the book fair. It will take place at school from July 17th to July 19th. We will have story telling, drama activities and some guests. We are looking forward to it. It will be a great experience! You will learn about the projects for each form in our next issue.

6th Form

As part of their History project, 6th formers worked on two important dates:

March 8th -

International Women's Day: They read articles from Clarin and interviewed anonymous women who work on different fields: doctors, designers, architects, etc.

April 17th -

St. Patrick's Day: They designed a crossword including symbols and historical references related to the Patron Saint of Ireland.

They hope you enjoyed the posters they hung on the English board in the main hall.

Good news: This year 6th formers are getting ready to sit for the K.E.T. They are working really hard.

7th Form

7th formers celebrated Poetry Day by reading and writing different types of poems. Let's enjoy some of their productions:

I don't understand

I don't understand

Why people are so racist

Why people are democrats

Why there is corruption

But most of all

Why people are so bad

with other people

Why people pollute the

world

Why there are so many people living in the streets

What I understand most is ...

Why some people help the world

Why animals are so beautiful

Why plants grow ...

6th and 7th Form

These two groups work together to design the News Corner (on the second floor).

At the beginning of the month they visit all the classrooms collecting news and then they summarize the most important events at school.

They also download articles from the Internet and highlight relevant ideas.

It is an excellent opportunity to learn communicatively and develop cooperative work!!

Speak English as much as you can

4th / 5th / 6th / 7th. At the end of each term a prize will be given to the student who tries to speak English all the time. The prize will be given along with the report cards.
